2010-06-18 23:27:44

A fumbled snap inside the Iowa Blackhawks' 5-yard line proved to be the difference on Friday night.

The Mid-Missouri Outlaws, playing for home-field advantage in the playoffs, built a 37-34 lead, but could only watch as the Blackhawks fought back to take a 41-37 advantage with less than a minute to play. The Outlaws worked the clock, but the late blunder was recovered by Iowa.
